

Generous LIVING

Mission

In September 2012, the Carolina Conference began the stewardship initiative known as Generous Living. The mission of Generous Living is to creatively and prayerfully explore new ideas that will touch a responsive chord within God's church family and assist them in fully embracing Christ and His end-time church.

Activities

Generous Living team members have conducted *Dave Ramsey's Financial Peace University*, a nine-week series on handling money God's way, at the conference office and at various churches. Other financial seminars and stewardship sermons based on biblical principles have been presented at many churches. Each quarter the GL team prepares a poster, monthly bulletin inserts and Sabbath offering appeals to be used at all churches. Generous Living materials have been prepared in English and Spanish, and our Korean pastors are now assisting with translations for our Korean members. *Jack Gives Back* stewardship materials were given to children ages 4-10 at the Carolina Camp Meeting, Hispanic Camp Meeting, and Welcome to the Carolina Family retreat. Pastor Jason Belyeu launched the GL Facebook page this year for sharing stories that will encourage all of us to be faithful.

Results

Watching God work through our members has been rewarding. Each year from 2012 on, tithes and offerings have consistently increased. Many of our members have shared stories of faithfulness and blessings when they financially and prayerfully responded. God promises that when we are faithful to return His tithe and our offerings, He will bless. It is ALL OF US IN RESPONSE TO ALL OF HIM!

Commitment

It is the goal of the Carolina Conference Generous Living team to give every church member the tools they need to eliminate debt and become the faithful stewards that God has called us to be. Thank you for prayerfully partnering with us as a member of His Generous Living team.
