GENERAL INFORMATION

The 2018 Carolina Conference Pathfinder Camporee will be held at the **Camp Tuscarora** in Four Oaks, North Carolina **starting Thursday, October 4 through Sunday morning, October 7th**. Our theme this year is "I Can Only Imagine." We want the Pathfinders to imagine the excitement of being together as a pathfinder family and to celebrate, with imagination, the experience of Heaven. Our activities and honors will involve active learning and team development.

We are expecting record number of Pathfinders and staff this year as our clubs and sizes of our clubs increase. The Pathfinder Council Camporee Committee discussed the need to broaden the base of volunteers we draw from because of the number of activities and honors that are needed to be available to handle the number of Pathfinders we are expecting.

The Camporee Committee decided that to broaden the base of volunteers we would develop a Camporee Volunteer Request Form sending it out to all the clubs asking for your help. The same concept we use for Workbee jobs. We are hoping/expecting that clubs with an abundant amount of staff will volunteer for two activities, while clubs with limited staff should volunteer for at least one activity.

We know organizing a Camporee this way can be very challenging but asking for volunteers is necessary in order for us to have successful supervision. We also know what we can accomplish if we work together in the Spirit of Pathfindering as can be seen at our Work Bee Campouts. We have faith in our Pathfinder leadership that you again will come through to make this a successful Camporee for our kids.

The pages that follow contain the activities and honors we want to offer at this Camporee and the time of the rotations that they are being offered. **We want you to let the Conference Pathfinder Department know by September 30 what activities you would be willing to volunteer to supervise.** You can call Stanley Knight at 704-596-3200 or email him at nstallings@carolinasda.org

The following are the activities and honors that the Pathfinder Council Camporee Committee would like to offer that we need volunteers to run/man the event and/or teach the honor.
